Subject: Request for Co-Sponsorship – Paid Family and Medical Leave

Ohio House of Representatives

MEMORANDUM

TO: All House Members
FROM: Representative Janine Boyd and Representative Kristin Boggs
DATE: February 5, 2018
RE: Request for Co-Sponsorship – Paid Family and Medical Leave

We will soon introduce legislation to create the Ohio Family and Medical Leave Insurance Program. Today we chose to send this co-sponsor request as this date marks the 25th anniversary of FMLA (Family Medical Leave Act). This legislation will provide 12 weeks of family and medical leave benefits, which will permit individuals to care for a family member, bond with a new child, or address their own serious health condition.

Out of 178 countries worldwide, the United States is one of three that does not provide paid leave to new mothers. So far five states—California, New Jersey, New York, Hawaii and Rhode Island offer some sort of paid leave to men and women who provide care. The federal Family Medical Leave Act provides 12 weeks of leave for family and medical reasons. This time is unpaid and employers with fewer than 50 employees are exempt, which eliminates a large segment of workers. Ohio should lead on the issue of paid leave to grow our economy and allow working people to put family first.

The program will be under the purview of the Department of Job and Family Services. An individual would receive leave insurance benefits for: a health condition which makes him/her unable to perform their job duties; caring for a new child during after birth, adoption, or foster care placement; caring for a child, parent, or spouse who has a serious health condition; or the individual is taking any other leave as authorized by the federal Family and Medical Leave Act. In order to be eligible for program benefits, an individual must file a

claim with ODJFS; must have worked at least 680 hours during the base period; premiums have been withheld and remitted for at least one year; and the leave must be for the above-mentioned purposes.

Once established, program benefits will be paid by assessing premiums on employees. Employers will be required to deduct and withhold premiums from employee's wages. However, an employer may opt to pay the contributions on behalf of employees.

An employee who is covered by an employer policy or collective bargaining agreement that provides the employee with greater leave than that provided by the Family and Medical Leave Act may elect not to participate in the Program in accordance with rules adopted by the Director. An employee who elects to opt out of participating in the Program is not liable for any premium or contribution that would otherwise be due under the Program.

Working people in Ohio should not have to worry about losing their job or falling behind financially just to take care of a sick child or relative; address their own serious health condition; or care for and bond with their newborn child. Ohio cities like Dayton and Cincinnati are leading on leave. By allowing working people to put their family first, we can truly make Ohio a better place to live, work, and raise a family.

If you have any questions or would like to co-sponsor this legislation, please contact Dominic Paretti, at 614-644-5079 or via email at Dominic.Paretti@OhioHouse.Gov and Serena Finlay, 614-466-1896 or via email at Serena.Finlay@OhioHouse.Gov. **The deadline to co-sponsor is Friday, March 9 at 4:00pm.**
